

LOCAL AGENT EARNS e-PRO CERTIFICATION

SUSAN E. DOORECK of Coldwell Banker Legacy Realtors has successfully completed the e-PRO course to become one of a select few real estate professionals to earn the prestigious certification offered by the National Association of REALTORS[®].

The e-PRO certification course is an educational program unlike any other professional certification or designation course available, comprehensive and interactive. It is specifically designed to provide real estate professionals with the technology tools needed to assist consumers in the purchase or sale of a home.

With more than 70% of consumers beginning their real estate research on the Internet, e-PRO certified agents have the experience and expertise to meet the demands of today's buyer and seller.

Susan E. Dooreck recognizes that the real estate industry has undergone a fundamental change over the past several years. She notices that a majority of consumers are taking the time to conduct their own research prior to contacting an agent. Susan feels that real estate professionals must be knowledgeable of how technology can assist them in serving the needs of the buying and selling public.

The e-PRO certification course has deemed Susan Dooreck an Internet professional. In addition, Susan joins the ranks of a special national community of highly skilled and continuously trained professionals who provide high quality and innovative online-based real estate services.

The e-PRO Internet Professional logo identifies Susan E. Dooreck and thus reassures the buyer and seller that they are working with the best!
